Wrist Sizing Guide

Step 1

Print this page.

⚠️ **IMPORTANT!**

Before Printing: Ensure that Page Scaling is set to "None" on your printing dialog box. Do not resize or scale to fit (fit to page).

After Printing: To check that the Wrist Sizer has been printed properly, take a ruler and measure one of the samples below. It should measure exactly 1 inch or 3 cm long.

0 INCH   1   0 CM   1   2   3

Step 2

Cut out the ruler along the lines.

Step 3

Wrap the ruler around your wrist, where you would comfortably wear your watch. Loosen or tighten to the desired fit.

Step 4

The number that lines up with the arrow is your wrist size.
